

The market

Aviva fixed annuity

Sometimes it's not what you gain, but what you don't lose.

Over the past 60 days, our annuity customers had zero losses due to market fluctuations.

It's time you learn what they already know.

To help you get started on a plan to protect your retirement assets, contact your insurance professional today.

Aviva's indexed life insurance and annuity products are issued by and all policy benefits are the responsibility of Aviva Life and Annuity Company, American Investors Life Insurance Co., Inc. and Aviva Life and Annuity Company of New York. In New York, available products are issued by Aviva Life and Annuity Company of New York, the only Aviva company authorized to do business in New York. Products not available in all states and may be subject to withdrawal charges and market value adjustment that may reduce policy values.
